OBJECTIVES

¹ Experience new things; ² Break the mold, not sure which one though;
³ Redefine my life experience; ⁴ Win people over, even unimportant ones;
⁵ Be the next big, medium, or small thing; ⁶ Stop, collaborate *and* listen;
⁷ Do what could/should not be done; ⁸ Learn something new, like Italian;
⁹ Impress the powers that be (is it working?); ¹⁰ Never settle.

WORK EXPERIENCE

FACE Daegu, South Korea (Mar. '11 to Aug. '11)

Design Team Leader

While teaching English in South Korea I helped lead a team of foreign and native designers to launch a new local magazine with a focus on culture and events. My role was split between design and delegation.

Madison Design Group Covington, KY (Oct. '08 to Aug. '10)

Junior Designer

As a member of a small design team, I worked on a variety of print and multimedia projects, specializing in internal communications for the Fortune 500 market.

Lippincott New York City, NY (Apr. '07 to Dec. '07)

Full time co-op position

Worked for a diverse group of clients including Delta, GE, Bank of New York, and Wells Fargo. Assisted in logo and brand development as well as web and multimedia projects.

FRCH Cincinnati, OH (Apr. '06 to Dec. '06)

Full time co-op position

Worked with a team of six designers in the Hospitality branch. Primarily focused on signage and environmental graphics for hotels (the Hilton family chain) and casinos.
